

# I Spy Discovery Game

A fun game to assemble and even more fun to play!

## You will need:

- Large jar with lid, such as an empty spaghetti sauce jar
- Uncooked white rice
- Large bowl and spoon
- [Discovery checklist](#)
- Pencil or pen
- Variety of small objects (list below)

## Directions:

1. Gather up some small objects. See list below.
2. Fill a jar halfway with rice. Drop in the items. Then add more rice, leaving 2" unfilled. Screw on the lid and spin the jar to mix up the items.
3. On the Discovery Checklist, write the list of items that can be "discovered" in the jar.
4. Ask the person to spin the jar and look for items. When they discover something, find it on the list and cross it off. See if the person can find all of the items.
